0.2 Authority

0.2.1 This Agreement has been made and entered into between the City of Albuquerque, New Mexico hereinafter referred to as "City", and the AFSCME Local 624 Transit, hereinafter referred to as the "Union", representing the full-time permanent, non-probationary Motor Coach Operators (MCOs) and Sun Van Chauffeurs (SVCs) employed by the Albuquerque Transit Department of the City of Albuquerque, New Mexico.

0.3 Scope of Agreement

0.3.1 This Agreement relates to the employees of the City of Albuquerque in the designated collective bargaining unit. The parties do hereby acknowledge that this Agreement represents an amicable understanding reached by the parties as the result of negotiations of the parties as provided in the City of Albuquerque Employee Relations Ordinance.

0.3.2 This Agreement replaces in its entirety any and all previous Agreements and represents the only Agreement of the parties hereto. When any conflicts occur, this Agreement shall govern as provided by the City of Albuquerque Employee Relations Ordinance.

0.3.3 Under normal circumstances, the Union will be given prior notice of proposed changes in City or department wide written policies that directly affect bargaining unit employee working conditions. The Union will be given fourteen (14) days from the time of notice to provide input. This input period may or may not delay implementation, but may require revision or cancellation of the originally proposed policy. The parties may agree to extend time limits by mutual consent. Notwithstanding the foregoing commitment, neither party shall be required to negotiate any issue during the term of this Agreement, whether the issue is contained in this Agreement or not part of this Agreement, unless specifically mandated by another provision of this Agreement.

0.4 Recognition

0.4.1 The Union, having shown that it represents a majority of employees holding the job position of MCOs and SVCs is hereby recognized as the exclusive bargaining agent for such permanent, non-probationary MCO and SVC employees. The City agrees to deal with appointed or elected Union officials designated by the Union. All other employees irrespective of their job position title, including those who are members of supervision, shall be excluded from representation by the Union.

0.4.4 It is understood that for collective bargaining purposes, the Union will represent all permanent non-probationary Motor Coach Operators ("MCOs") and Sun Van Chauffeur ("SVCs") and not probationary employees;

0.4.4.1 All new MCOs and SVCs will be hired as permanent, probationary employees; and

1. GENERAL LABOR/ MANAGEMENT PROVISIONS

1.1 Payroll Deduction of Union Dues

1.1.1 For the convenience of the Union and its members, the City agrees to deduct regular bi-weekly dues, Union-sponsored insurance and pension plan payments from the pay of those employees who properly authorize the City to make such deductions.

1.1.2 Such deduction requests to the City's Central Payroll Department/or designee will authorize the City to deduct the amounts specified in writing by AFSCME Council 18 . The amounts authorized may be changed in writing through AFSCME Council 18.

1.1.3 AFSCME Council 18 will submit, a listing of deductions for new members to City Payroll Department. Such listing will be in the format approved by the City.

1.1.4 Changes in established deductions may be submitted by AFSCME Council 18 once per calendar quarter. Such changes will be submitted in the format approved by the City no later than ten (10) days prior to the end of the second pay period in the month requested.

1.1.5 The Union will stock the forms necessary for Union deductions or their cancellations.

1.1.6 Deductions shall be remitted to AFSCME Council 18 on a biweekly basis and the City shall furnish to AFSCME Council 18, monthly, a record of those for whom deductions have been made each month.

1.1.7 Employees who are dues paying members of AFSCME Local 624 Union, and wish to cancel dues deductions will do so by providing appropriate notice to Local 624 Transit within five (5) calendar days following their employment anniversary. Such cancellation notice must have the president's signature.

1.1.8 The Union shall indemnify, defend, and save the City harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of or as a result of any conduct taken by the City for the purpose of complying with the above.

1.2 Union Rights

1.2.1 Local Union officers may be granted time off without pay from their normal duties to attend conventions, conferences and seminars previously identified by the parties and monthly Union meetings on the second Wednesday and last Wednesday of the month. Union officers may also be granted leave without pay for Union matters approved by the appropriate supervisor or the Office of Human Resources. For the purposes of this paragraph, "Union Officers" shall be limited to the elected officers and executive board members of the Union. Requests for this leave that exceed ten (10) of the employee's work days will be subject to the approval of the CAO. To request leave for time off without pay, the employee will use KRONOS and inform the employee's supervisor and the HR Director or designee of the request. The employee may utilize accumulated vacation time or leave without pay for these purposes. Local Union stewards may be granted time off without pay from their normal duties to attend monthly Union meetings on the second Wednesday and last Wednesday of the month. The Union shall provide the Human Resources Officer and each affected supervisor with the names of the stewards. The Union shall update the list as changes occur. Union leave without pay shall be subject to the prior approval of the department. The department shall determine whether or not to approve an employee's request based solely on the operational needs of the department. If a bargaining unit employee is elected to an officer's position within the

union, the officer will be granted vacation leave or leave without pay for the union's national convention, provided the officer submits a leave request form prior to the employee's submission of a registration form to the union's national convention. The City will not prorate, nor eliminate sick and vacation leave accruals for employees on approved unpaid leave for union activities.

1.2.2 The employer agrees that Union Officers, staff representatives, and stewards shall have reasonable access to the premises of the Employer after giving appropriate notice and obtaining approval from management in charge of the specific work area. Such visitations shall be for the purpose of administering this Agreement. The Union agrees that such activities shall not interfere with the operational requirements of the Employer. The Employer will designate a meeting place or will provide a representative to accompany Union officials where significant security requirements exist. Union staff representatives or local Union representatives may request meetings as needed to prevent, clarify or resolve a problem.

1.2.3 The amount of .14% was set aside from the three percent (3%) appropriated by the City for salary increases in FY 2015, in order to fund the recurring cost of Union Time for the following AFSCME collective bargaining units: Local 624 (Transit), Local 624 (Blue Collar), Local 1888, and Local 2962. The recurring funds to cover the cost for Union Time shall be replenished each year in the amount of \$131,000.00 and shall be replenished for each year thereafter of this agreement. Deductions from this pool shall be calculated using the actual burdened wage rate of the union representative using the time (to include employee insurance, PERA, Retiree Health, Employer FICA portion, Life Insurance, Insurance Admin Fee, and unemployment). The Employer will provide, upon request by the Local President up to six (6) times per fiscal year, the balance expended and remaining on the set aside fund; the Employer will provide, upon request up to two (2) times per year, hours/expenditures by employee.

Except for the following circumstances, the hours spent to perform union business as defined under this section will not count as hours worked for the computation of overtime. Union time performed by two stewards (only), designated by the President, for up to five hours per week for each steward, whether or not part of that steward's regularly scheduled work week, will count toward the calculation of overtime. The stewards will not enter time for union time performed in excess of five hours of union time per week. The Union set-aside will compensate the steward for union time at the regular rate of pay; City funds will compensate the steward for the overtime portion. (For

instance, if a steward worked four (4) hours overtime, and all that time was union time, then four (4) hours would be paid from the set aside, and two (2) hours from City funds. Only union representatives identified and authorized by the union in advance are allowed to draw on the pool of union time. Such time will be deducted from the pool at the burdened wage rate. The union shall maintain a current list of authorized union representatives with the City. In extenuating circumstances, the parties may authorize the addition of representatives to draw from the pool. An authorized representative shall request the use of Union Time at least a minimum of twenty-four (24) hours in advance from their respective department; such requests are subject to approval by their supervisor. Requests for union time will be accepted verbally, text, email or by a phone call to their immediate supervisor. Approval shall be denied only in cases of emergency. Where the employer sets a meeting for which Union Time may be used (for investigation interviews, pre-determination hearings and grievance hearings), but provides the employee with less than five City Business Days' notice, the Employer shall allow the Union to use Union Time for such an event. The Employer shall grant Union Time for Union Representatives to attend these meetings. Parties may waive these deadlines upon mutual agreement.

At any time funds allocated for Union Time become exhausted, authorized union representatives may utilize vacation, compensatory time or elect to take leave without pay to conduct union business with the appropriate amount of advanced notice subject to the supervisor's approval.

For Union Presidents employed by the City, Union business is defined as business performed by designated union representatives which facilitates the applications of this agreement, assists in employee management matters, resolves conflicts, assists in positive labor/management relations between Employees and the City or which involves matters directly related to representation of the bargaining unit members—to include the Albuquerque Bernalillo County Water Utility Authority (ABCWUA)—which are also beneficial to the City of Albuquerque. This shall include preparation for and attendance of pre-determination hearings, grievances, meetings scheduled between the Union and the City, Labor Board filings, and Personnel Board filings. In their absence, Union Presidents may designate a person to use President's time.

For an authorized union representative designated by the Union President, Union business is defined as attending a predetermination hearing requested by a bargaining unit employee, a grievance hearing

when requested by a bargaining unit employee or an arbitration/Labor board hearing, or other matters directly affecting employees represented by the union. Unless otherwise approved by the Human Resources Officer, one (1) Local 624 Transit Officer who serves as the lead, and one (1) steward, shall be granted Union time leave with pay for any hearing. Unless otherwise approved by the Human Resources Director, the steward shall be a bargaining unit employee assigned to the same department to which the affected employee is assigned.

President's Time Local 624 Transit. The Union President or his/her designee shall be allowed a total of up to 10 hours per week to perform Union business.

1.2.4 A bulletin board will be furnished by the City for the posting of official Union notices and other information. Such notices shall not include religious, political, derogatory, inflammatory, or discriminatory notices. The bulletin board will not be used to criticize the Union, and any of the Union policies, any of the Union officials, management, any management policies, or any management employee. The Union may apply locks to these boards at its own expense.

1.2.5 A union official who is on leave without pay status on the day before or the day after a City approved holiday shall be eligible for holiday pay if the official is required to work the holiday provided the official's leave without pay has been approved by the City for official City business. A maximum of two (2) union officials shall be eligible for this benefit on any given holiday.

1.2.6 Leave without pay: Employees holding office in the union may be granted leave without pay under the provisions of Section 18 of the Merit Systems Ordinance, as amended. The employee will retain seniority rights as defined in Section 14 of this Agreement.

1.2.7 The Human Resources Director or designee will provide to the AFSCME Staff Representative and AFSCME Local Presidents notice of who will attend the New Hire Orientation, providing the tentative list once, and the final list on the Friday before the orientation

1.2.8 The rights guaranteed to the union in this agreement are exclusive rights. These rights shall not be granted to a competing labor organization.

1.3 City Rights

1.3.1 The City retains all rights not expressly curtailed by this Agreement and as provided in Section 2-2-5 of the Employee Relations Ordinance, Council Bill 0-67, as amended and approved January 3, 1977.

1.3.2 Social Security numbers are to be kept confidential. Should any information be needed, the employee will provide requested information to employer.

1.3.3 The Union agrees to cooperate in voluntary fund drives supported by the City.

1.4 Requests for Information

1.4.1 In any grievance (including arbitration), or proceeding in the Labor Board and Personnel Board, the Parties will respond to discovery requests within fifteen (15) City Business Days or at least ten (10) City Business Days before any applicable hearing, whichever is sooner, at no cost. This agreement is in addition to any discovery allowed by an applicable forum, but may not be used beyond a forum's close of discovery or other deadlines set by the forum. Any dispute about discovery including limits shall be decided by the forum.

1.4.2 In addition, the Parties agree that the City has the duty to provide, upon request, any relevant information necessary to negotiate, administer, and police the CBA, and to fairly and adequately represent all collective bargaining unit employees ("CBA requests"). The City has no duty to generate information or documents in response to Union requests. The City of Albuquerque's central HR will be copied on all CBA request. Instead of providing information, the City may timely raise an affirmative defense that the information is confidential or privileged based on either the employer's interests or employees' interests. The City will respond to non-litigation requests within fifteen (15) City Business Days at no cost.

1.4.3 Information requests outside of litigation discovery and CBA requests will be made pursuant to IPRA.

1.5 City Systems

1.5.1 Employees cannot be compelled to use their personal cell phones for conducting City business.

1.5.2 The City utilizes GPS in its operations. The City, in its sole discretion, may take steps to corroborate GPS data with additional supporting evidence. If data indicates a traffic violation, then the City will verify the relevant "rules of the road," (such as speed limit), and may investigate and discipline consistent with this Contract. If GPS data indicating an alleged violation of City rules or regulations is corroborated with other evidence verifying the GPS data, then the City may rely on the GPS data and the any corroborating information in further action, including but not limited to an investigation or discipline consistent with this Contract. The Union may contest the imposition of discipline consistent with this contract, but not the City's reliance on verified GPS data. The City has other department specific systems which are a mandatory subject of bargaining.

1.6 City Rules and Regulations, Department/Division Policies

1.6.1 If the express terms of this Contract are in direct conflict with City Rules & Regulations, or Department/Division policy, or orders and rules which address means and methods of duties, then the terms of this Contract control.

1.6.2 The City will notify, by email addresses provided by AFSCME to Central HR, the relevant AFSCME five Local Presidents and one Staff Representative of proposed changes to Rules & Regulations, and Policies at the Department and Division levels. The Notification will attach the proposed changes in redline or equivalent. The person(s) notified are responsible to notify other union officials and bargaining unit members.

1.6.2.1 The Union may request bargaining of SOPs and Post Orders only if they affect the health and safety of the employees.

1.6.3 Measured from the date of notice, AFSCME will have twenty-one (21) calendar days (rolling forward to the next business day if necessary) to provide by "reply all" email to the City personnel a request to bargain. AFSCME waives the right to bargain if the required reply all email is not sent within the time period, and the City's proposed changes may be implemented.

1.6.4 If AFSCME timely sends the required email, then from the day of the City's initial notice the Parties will, within 90 calendar days, reach

agreement or provide LBFs and initiate the impasse arbitration process. Either party may initiate the impasse arbitration procedure.

1.6.5 Without precedent, the City and Union may: provide notice to more persons and by more methods of delivery; agree to a different process; implement an interim R&R/policy; extend timelines; and/or, waive impasse arbitration.

1.6.6 If the City does not follow this procedure, then AFSCME may challenge the changes under this CBA or applicable law.

2.3.4.3 Unanticipated overtime is all overtime which cannot be anticipated and/or reasonably scheduled in advance of the employees regularly scheduled shift. Any comp time not used by December 31 of each year will be paid on the next full pay period.

2.4.3 Employees who have accrued compensatory time at the time of termination of employment shall be paid for the unused compensatory time

at their current rate of pay if such time cannot be scheduled and taken prior to the termination date.

2.5 Pay Equity

2.5.1 The City and the Union (the Parties) desire to ensure that employees, including bargaining unit members, are compensated equitably for their work and have a process to recommend to the Chief Administrative Officer (CAO) changes in pay rates. The final decision to change pay rates is with the CAO. If one or more bargaining unit employee(s) is paid less than one or more employee(s) who holds the same job title, the CAO may increase, but not decrease, the pay rate of the lesser paid employee(s) at the CAO's discretion. Increases shall be only at the steps set forth in this Contract. Failure to provide such an increase shall not be grievable, except as below.

When the Wage Review Committee makes a recommendation for a bargaining unit employee(s) to the CAO to increase the pay rate of one or more bargaining unit employee(s), the Wage Review Committee's recommendation, comparable employee information, and supporting documentation, excluding any privileged material, will be provided at the same time to the Local President and AFSCME Staff Representative by email. For ten (10) business days, the Local President or Staff Representative may provide written comments or a recommendation to the CAO or her designee regarding the recommended increase. After receiving the written comments or recommendation from the Local President and/or Staff Representative, or the expiration of the ten (10) business days, the CAO may decide in her discretion to implement or not implement a wage increase. The time limit herein for the Union to submit its comments may be extended by mutual agreement of the Parties.

If the Union does not offer written comments or a recommendation within the 10 business days, and the CAO accepts or denies the recommendation, the Union has waived its right to grieve. If the Union offers a written recommendation and the CAO accepts, the Union will not file a grievance. If the CAO does not increase any employee's pay, the Union will not file a grievance. If the CAO's decision differs from the Union's recommendation and results in an increase, the Union President or Staff Representative may grieve. If the CAO decides to increase the pay of some employees but not others in one decision, and the Union recommended an increase in pay for the employees that did not receive an increase in that decision, then the Union President or Staff Representative may grieve. The only grievance procedure applicable for this provision is FMCS arbitration. The Union will have 30 days to make a request for a panel from FMCS. The Parties will share equally the costs of arbitration.

This provision is not an admission that any law or policy has been violated. This provision does not change an employee's right, if any, to challenge a decision of the CAO in a lawsuit.

3.1 Premium Costs

This section intentionally left blank

3.2 Insurance Programs

3.2.1 The City will furnish Group Life Insurance to employees of this bargaining unit.

3.2.2 The City offers group hospitalization plans for employees. Participation in the plans is voluntary. The City will pay 80% of the premium of the plan selected by the employee and the employee will pay 20% of the premium. The plans will continue in effect until modified or amended by the City.

4. RETIREMENT PLANS

4.1 NM Public Employees Retirement Association

4.1.1 The City will abide by the Public Employees Retirement Act of New Mexico as is now in effect. Employees of the Transit Department of the City of Albuquerque covered by this bargaining agreement are by State Law members of P.E.R.A.

4.1.2 The City shall assume nine and eighty-six hundredths percent (9.86%) of the employee's P.E.R.A. premium contributions.

4.1.3 In the event the P.E.R.A. Board or a court of competent jurisdiction determines the City cannot implement the increases to the P.E.R.A. contribution, as set forth above, the parties will meet to negotiate and alternative means of implementation in compliance with P.E.R.A. regulations and the applicable law.

4.1.4 Should state legislation be enacted to allow for an increase in the formula for retirement when the increase in cost is to be born completely by the employee, the City will afford the employees an opportunity to vote on the issue of inclusion under the increased formula.

5. VACATION LEAVE

5.1 Vacation Leave

5.1.1 Employees shall be permitted to submit scheduled vacation requests, bid in December, for up to two (2) weeks for the following calendar year; and after the completion of the December vacation bid, another week for the current calendar year, bid on the second weekend in January, for any remaining available slots; for a total of three (3) weeks scheduled vacation per calendar year.

5.1.1.1 This sub-section applies to bidded vacation only. Two weeks before vacation leave commences, an employee must have adequate time accrued for the entire block of vacation. If adequate time is not accrued then the block is void and the employee must work. Unpaid leave is available only by approval of the Department Director. The employee may request a shorter block of vacation.

5.1.2 An employee who has accumulated over two (2) years vacation may convert fifty percent (50%) of the accumulation over two (2) years to a cash payment once a year.

5.1.3 Pay for accrued vacation may be obtained by an employee prior to leaving on vacation provided the employee gives at least one (1) week notice of the request to the employee's supervisor. Vacation leave must be approved at least 24 hours in advance of the time it is taken. On a case-by-case basis, in the discretion of the City, employees may be allowed Vacation leave with less than twenty-four (24) hours' notice.

5.1.4 When an employee requests vacation leave or sick leave, the employee must have adequate time accrued for the entire request. If adequate time is not accrued, then the request is automatically denied. Leave requests are not approved until the City consents to the request. The previous sentences do not apply to bidding.

5.1.5 An employee "taking leave" without following the applicable procedure (for instance 6.1.1 for sick leave), or with an insufficient balance will be initially coded absent without authorization, which is unpaid time, and is subject to discipline. The code may be changed, and discipline need not be imposed unless warranted. This section does not provide a basis to deny leave requests.

5.1.6 An employee shall be permitted to use accrued vacation time to compensate the employee for a tardy on a day before or day after a

designated paid holiday provided the tardy does not exceed eleven (11) minutes. If the employee does not have enough accumulated vacation time to cover the tardy, the tardy time shall be considered leave without pay, and the employee shall not be eligible for holiday pay if the employee works the designated holiday. The employee shall not be permitted to use paid sick leave for a tardy. This provision shall not supersede any provisions of this Agreement's "missout" provisions (Section 12.3).

5.1.7 An employee who leaves employment with the City will be compensated for any unused vacation leave. If an employee dies while employed with the City, the employee's vacation leave accumulation will be paid to the employee's beneficiary as identified in the life insurance policy carried by the City.

5.2 Vacation Leave Accrual Rates

5.2.1 MCOs and SVCs shall accrue vacation on the basis of a (40) forty hour week.

Continuous Service	Monthly Accrual	Yearly Accrual
1 month to 5 years	8.3 hours	12.5 – 8 hour days
5 years to 10 years	10 hours	15.0 – 8 hour days
10 years to 15 years	12 hours	18.0 – 8 hour days
15 years and over	13.3 hours	20.0 – 8 hour days

5.2.2 MCOs and SVCs may not receive their scheduled bid vacation when transferring to MCOs and SVCs. But, they will be entitled to a vacation sometime within 12 months. The Union and Management will meet and confer on a case-by-case basis to resolve scheduling issues resulting from employees transferring from MCO or SVC.

6.1.1 For sick leave, employees shall contact the designated point of contact at their earliest opportunity and not later than thirty (30) minutes before the schedule beginning of their workday or in the case of Employees assigned to shift work at entities that maintain twenty-four (24) hour operations, two (2) hours prior to the scheduled beginning of their workday. If the point of contact or designee is not available at the designated phone number, the Employee shall leave a message or text message in accordance with written instructions issued by the Department or Division. An employee does not need to call daily for blocks of approved leave. In the event the Employee is incapacitated, a family member may call in on behalf

of the Employee. A sick leave request will normally be verbal but may be in writing if the Employee knows in advance of necessity for sick leave. An employee "taking leave" without following the applicable procedure (for instance this section for sick leave), or with an insufficient balance will be initially coded absent without authorization, which is unpaid time, and is subject to discipline. The code may be changed, and discipline need not be imposed unless warranted. This section does not provide a basis to deny leave requests.

6.1.2 The parties hereto agree and understand that the City and the Union will abide by the provisions of the Workers' Compensation Act of the State of New Mexico.

6.1.3 Employees who have been absent from work for sick leave on at least three occasions and have missed more than fifty-six (56) hours of personal absence sick leave during the last twelve months shall not be granted further personal absence sick leave until their utilization falls below this level. When an employee takes sick leave and provides documentation, then those hours of leave do not count toward the 56 hours. Personal absence sick leave does not include sick leave taken for:

6.1.3.1 Emergency leave - Granted when a physician determines that an employee's absence from work is medically necessary to care for the employee or a sick or injured dependent; due to a serious illness of the employee or dependent; or, death of an immediate family member of the employee, as detailed in the City Personnel Regulations;

6.1.3.2 Hospitalization or outpatient surgical procedure;

6.1.3.3 Serious Illness Requiring absences of two (2) days or more and a physician's certificate verifying the serious illness;

6.1.3.4 Disability Requiring long-term absences, including pregnancy

6.1.4 The parties recognize that it is the individual employee's responsibility to keep track of his/her personal absence sick leave usage and to be aware when he/she may not be paid for further utilization of this type of sick leave. Except for flagrant violations, no disciplinary action shall be taken against employees not in compliance with this subsection.

6.1.5 Doctors' appointments: Employees are strongly encouraged to schedule doctor appointments during hours when the employee is off duty or when the appointment will have minimum impact on the Department. An employee will only be granted an entire workday off for a doctor's

appointment if the employee is unable to perform the essential functions of the employee's job duties.

6.1.6 For use of all forms of leave other than vacation, the City may require documentation of the basis for the leave used when the City has a verifiable basis to suspect that the Employee is utilizing the leave for purposes other than those authorized. As regards sick leave, documentation means information from a doctor of medicine or osteopathy authorized to practice medicine or surgery (as appropriate) in the State in which the doctor practices or any other person determined to be capable of providing health care services under regulations promulgated under the FMLA of 1993, 29 U.S.C., Section 2601, et seq., as amended.

6.1.7 Sick leave shall accrue at the rate of 3.7 hours per pay period. The maximum accumulation is twelve hundred (1200) hours.

6.1.8 Holidays which occur during an employee's sick leave will be charged as holiday and shall not be charged to sick leave, and shall not be considered an occurrence.

6.1.9 Employees on leave for reason of extended illness who exhaust their sick leave will be allowed to use accrued vacation leave or may be granted leave without pay for up to one year in accordance with Rules and Regulations 402.5.

6.4 Donation of Sick/ Vacation Leave

6.4.1 Vacation donations are subject to approval at the department level in accordance with the following procedure:

6.4.1.1 An employee may submit a written request for vacation donation to the employee's immediate supervisor. The immediate supervisor shall decide whether or not to approve the request by

considering the Family and Medical Leave (FMLA) criteria for serious illness set forth in the City's Personnel Rules and Regulations. The immediate supervisor shall have the authority to decide whether or not to approve the request.

6.4.1.2 If the immediate supervisor rejects the employee's request, the employee may appeal the decision to a Donation Committee comprised of one (1) person appointed by the Union, one (1) person appointed by the Department and a neutral person chosen by the other two (2) appointees. The neutral shall be chosen from the City's trained panel of mediators. The committee shall meet with the employee or the employee's designee if the employee is unable to attend for good cause and immediate supervisor or the supervisor's designee if the supervisor is unable to attend for good cause to hear arguments from both individuals pertaining to the request and rejection. The Committee shall consider the FMLA criteria as the standard for review of the issue. The committee shall issue a decision on the matter to both parties.

6.4.1.3 If the committee rejects the employee's request, the employee may appeal the committee's decision to the Department Director. The Director shall issue a decision on the matter that shall be final and binding. There shall be no further administrative review of the matter, and the issue may not be appealed through this Agreement's Grievance Procedure.

6.4.1.4 The employee collecting the hours shall be compensated four (4) hours City time.

6.4.2 City wide vacation and sick leave donations will require CAO approval. The employee collecting the hours will be compensated four (4) hours City time.

12.3.7.5 Fifth Missout: Operator will be assessed 15 penalty points.

12.3.8 After a Missout, the operator will be assigned to complete their own route or assigned below all permanent operators on the extra board or alternative duties of benefit to the City of Albuquerque.

12.3.9 A No Call No Show is defined as a failure to be present or call after one hundred and twenty (120) minutes past the sign-on-time as listed on the Driver's sign-in sheet. Drivers who do not make themselves physically available within the first two hours shall have the following penalty points assessed:

12.3.9.1 First No Call No Show: Operator will be assessed 5 penalty points.

12.3.9.2 Second No Call No Show: Operator will be assessed 8 penalty points.

12.3.9.3 Third No Call No Show: Operator will be assessed 11 penalty points.

12.3.9.4 Fourth No Call No Show: Operator will be assessed 15 penalty points.

12.3.9.5 Fifth No Call No Show: Operator will be assessed 20 penalty points.

12.3.10 Operators shall have penalty points deducted, (credit points) from their total points as follows:

12.3.10.1 72 consecutive calendar days without a violation - 5 points

12.3.10.2 145 consecutive calendar days without a violation - 10 points

12.3.10.3 220 consecutive calendar days without a violation - 15 points

12.3.10.4 292 consecutive calendar days without a violation - 20 points

12.3.10.5 365 consecutive calendar days without a violation - 39 points

12.3.11 Penalties under this Section will be taken within 30 days of the date of the disciplinary action or the date of the hearing determination whichever occurs last. Drivers making themselves available will be put on paid status as protectors.

12.3.12 Three months (90 calendar days) of a clear record will cancel out one tardiness, or one missout, or one No Call No Show at the option of the employee. After the ninety (90) days employees will have the responsibility of requesting which violation is to be removed. Employees will have forty-five (45) calendar days to request this to management. If the employee does not make a request within forty-five (45) calendar days, management shall remove the most serious infraction on record.

12.3.13 The last twelve-month period will be considered for the purposes of the application of this Section.

12.3.14 A tardiness or missout or No Call No Show, as a result of a medical emergency requiring hospitalization confinement of an immediate member of the household will be dismissed with proper documentation.

12.3.15 In case of absence from work, the employee must report in (call in) at least one hour prior to sign-on. Failure to call in at least one hour prior to sign on times as listed on the Driver's sign on sheet shall be considered either a missout or a No Call No Show, as defined above.

12.3.16 When an employee receives a missout, sick leave, or vacation will be considered on a case-by-case basis.

12.3.17 Protector is defined as a driver who is assigned a specific reporting time and who must be available to substitute for absent drivers.

12.3.17.1 A protector will be considered tardy when he/she reports to work after his assigned reporting time but not later than 12 minutes following the reporting time.

12.3.17.2 A protector reporting to work more than 12 minutes late will be charged with a missout.

12.3.18 Any discipline administered under this section does not prevent an employee from filing a grievance.

12.4 Rest Periods

12.4.1 Transit employees working eight (8) or more consecutive hours per day shall be granted one (1) ten-minute rest period during the first half of the shift and one (1) ten-minute rest period the last half of the shift. For MCOs and SVCs, such periods will be scheduled by Management. SVC Drivers may request to reschedule breaks based on their work day and such requests will not be unreasonably denied. If a piece of work run works less than three (3) hours and has no break, the other part of the work run will be guaranteed to have at least twenty (20) minutes of break time not to be scheduled towards the end or beginning of shift, SVCs working 8 or more consecutive hours per day will be granted one 15 minute rest period during the first half of the shift and one 15 minute rest period during the last half of the shift, scheduled as above. Management will schedule a 30 minute non-paid lunch period at or about mid-point in the work shift for SVCs working 8 or more consecutive hours per day.

12.4.2 When a place of rest period is changed or created, the Union will be allowed input prior to the change, except under emergency conditions. (This Subsection 12.4.2 does not apply to SVCs).

12.4.3 The Transit Department will assign an employee the duty of identifying businesses on bus routes that allow Motor Coach Operators to use their restroom. Motor Coach Operators agree not to abuse this privilege granted by business owners.

12.4.4 The parties recognize that the provisions of Subsection 12.4.1 cannot be adhered to in all instances, however they will continue to be a goal of the Union and the Department. In an attempt to reach this goal the Department will implement a Break and Recovery Time scheduling plan.

12.4.4.1 Fixed Route Service. It is a goal of the City and the Union to correct breaks and recovery time at the earliest possible time when the City receives notice of the problem.

12.5 Other Work Hour Provisions

13. WORK ASSIGNMENTS

13.1 Special Events

13.1.1 Assignments under this section shall be made in the following order:

13.1.1.1 Extra Board Operators who have not, or probably will not, work a forty (40) hour workweek, will be assigned first.

13.1.1.2 Volunteer lists for the July 4 and Christmas Eve Luminaria Tour will include regular operators, Extra Board operators, and SVCs who have completed or probably will complete their established forty (40) hour workweek. These lists will be posted two (2) weeks prior to the events to allow employees to sign up. Failure to report for work after volunteering will be treated as an absence from work and subject the operator to disciplinary action.

13.1.1.3 Selection from the list identified in paragraph 13.1.1.2 above will be processed by seniority on a rotating basis. If there are no volunteers or an insufficient number of volunteers, the Department shall order, in reverse order of seniority, drivers to work.

13.1.1.4 Reverse order of seniority – again the employee is required to report to work. No paid leave will be granted except for sick leave with a certified doctor's certificate. Should an operator be assigned to work as provided herein, the employee must work the assignment, or on his/her own find another City of Albuquerque MCO or SVC, who is not scheduled to work, to work the assignment. This will be restricted to MCOs and SVCs respective Divisions.

13.1.2 Overtime work may be required in emergencies, as determined by supervisors.

13.1.3 If the City contracts with any outside entity to provide buses and drivers to service a special event, such service will be considered a job assignment subject to this Section, and Drivers will be required to work the assignment.

13.1.4 If the City contracts with any outside entity to provide buses and drivers to service a special event, the drivers shall be compensated at time and one-half their regular rate of pay for such assignments.

13.1.5 The City shall meet and confer with the Union President prior to contracting with any outside entity to provide buses and drivers to service a special event.

13.1.6 Nothing in this Section shall be construed to be a waiver of any rights conferred by the Section 13(c) of the Federal Mass Transportation Act.

13.2 Light Duty/ Modified Work Assignments

13.2.1 Employees Disabled: Employees holding the job position of MCO and SVC who may become physically disabled and unable to perform their normal duties may be given considerations for assignment to such other duties as they are qualified to perform in the Transit Department.

13.2.2 Injury in the Performance of Duty: Refer to Section 16, as amended, of the City's Merit System Ordinance and the City's Modified Work Policy. Employees injured in the line of duty will abide by the City's Light Duty Modified Work Program. Should the policy be amended, the Union will be given an opportunity to review the amendments and provide written input within 15 days of implementation.

13.3 Operation of Motor Coaches

13.3.1 This Section does not apply to SVCs except as noted in Subsection 13.3.2.

13.3.2 All Motor coaches in revenue service will be operated by employees holding classification of MCOs or SVCs. This section shall not prevent the operation of Motor coaches by employees other than MCOs as follows:

13.3.2.1 Within the garage;

13.3.2.2 For change-out and testing purposes; and

13.3.2.3 In situations when MCOs are not available as a result of employee emergencies, employee absences or for supervisor reorientation.

13.3.3 MCOs are required to leave time points on schedule, however, when service is not adversely affected, the 0-5 minute arrival standard will be considered in determining on-time performance.

13.3.3.1 Supervisors will consider minimum travel time from the last service time point on the schedule to determine whether the motor coach operator is arriving at the garage too early.

13.3.3.2 MCOs are required to leave their scheduled time points on time, however, they may arrive up to 3 minutes early at the shift relief point or end of service point as long as service and safety are not affected adversely.

13.3.4 Motor Coaches with inoperable radios will be given priority in change outs, or be given a hand held radio when available for the purposes of safety.

13.4 Extra Board Operators

13.4.1 The Extra Board will be maintained at a level consistent with the needs of the department. The Extra Board will be established and maintained under the control of the Transit Director or his/her designee.

13.4.2 Extra Board Operators will be guaranteed a minimum of forty (40) hours of work per week with one (1) scheduled day off per week. Operators will also have a minimum of eight (8) hours of release from duty before commencing a new workday. Extra Board Operators assigned to work a regular bid run will receive the same guaranteed time as the driver regularly assigned to that run.

13.4.3 Extra Board Operators may bid in seniority order on regular runs available for four or more work days in a seven day period. Regular runs may become available as a result of new positions or temporary vacancies in regular assignments. Regular runs may also be available due to vacation, deaths, retirement, or termination of a regular operator. Extra Board Operators that bid on regular runs must retain that run until the regular operator returns or the next regular bid; whichever occurs first. Extra Board Operators may not bump other Extra Board Operators already on regular runs. Extra Board Operators who bid regular runs are still considered on the Extra Board.

13.4.4 Transit will create the bid schedule with available days off. Extra Board Operators will bid for the available day off by seniority. However, should an Extra Board Operator bid for an available regular run, that

operator will be required to accept the days off assigned and will be paid 8/10 hours that are guaranteed for that regular run.

13.4.5 It is recognized that management may make necessary adjustments to accommodate the forty-hour (40) workweek guarantee and/or reduce unnecessary overtime.

13.4.6 The bidding process (Subsection 15.1) will be reviewed by management on a regular basis. Should problems arise, adjustments may be made with prior input from Union representatives.

13.4.7 The City agrees to make every reasonable effort to assign the Extra Board Operators regular hours of eight hours per day consistent with operational needs and the public interest.

14. SENIORITY

14.1 Seniority Determination

14.1.1 Seniority for the purpose of this contract is defined as follows:

14.1.1.1 The date of hire as a permanent MCO shall establish seniority. Drivers hired on the same date are required to draw lots to establish who is senior.

14.1.2 Seniority will be recognized for the following purposes:

14.1.2.1 Bidding on runs, and displacement privilege and days off.

14.1.2.2 Bidding on vacation.

14.1.2.3 Layoff and recall.

14.1.2.4 On promotions (when qualifications, performance and fitness are equal).

14.1.3 A seniority roster heretofore defined, will be posted on the bulletin boards to which drivers shall have access at all times. Current seniority rosters shall be posted quarterly of each year and the Union shall be furnished copies.

14.1.4 Protest of Seniority Roster: A protest of seniority roster on current posted lists must be made within fifteen (15) days from the seniority list is posted, or the seniority list will be considered correct.

14.1.5 Employees will not lose their seniority rights while assigned to Physical Layoff provided the employee has not been placed on Physical Layoff more than one (1) time.

14.1.6 MCOs and SVCs promoted or demoted within the Transit Department will have seniority reinstated upon returning to the position. Seniority will not be accrued while outside the MCO and SVC classifications.

14.1.7 Any permanent, non-probationary employee transferring to MCO or Sun Van will be put on the bottom of the permanent, non-probationary seniority roster.

15. BIDDING and VACANCIES

15.1 Bidding on Regular Assignments

15.1.1 Regular assignments will be advertised for bid. The bid notice will identify the type of assignment, number of hours, and time the bid procedure will close. New runs and vacancies between general bids will become a part of the Extra Board.

15.1.2 General Bid for Assignments: A general bid for all regular runs shall be conducted approximately every four (4) months, beginning in the month of June. At the direction of the Transit Director, a bid may be conducted anytime during the year to address budget or other administrative considerations. If this situation occurs, the next general bid will occur within a period not to exceed four (4) months. All bid boards will be posted two weeks prior to the bid. It is recognized that the general bid is for the benefit of the bargaining unit and no pay will be given for this bid process. General bid assignments start times will not be fluctuated more than ten (10) minutes before or ten (10)-minutes after the original start time.

15.1.3 Bids to be made in accordance with the following criteria:

15.1.3.1 Drivers will bid for their respective runs in order of seniority. Bidding may be in person or by proxy. Any driver failing to fill the driver position on the Board at the time allocated the drivers will be bid around by the other drivers in their respective order, taking their choice of bids, including the one held by the driver not present to take the driver's turn. Bidding done on the employee's time off is not time worked.

15.1.3.1.1 The MCO bid will normally begin on a specified date, and end approximately seven (7) days later. The SVC bid will normally begin on a specified date and end approximately three (3) days later.

15.1.3.1.2 A member of the Union will monitor the entire process. Time spent monitoring the process will be paid as union time. Any gap between bid times will be considered paid time.

15.1.3.1.3 In most instances, drivers will be assigned to bid outside of times when they are on their regular work shifts. Other than extra board drivers, no driver will be required to bid during the driver's assigned run unless doing so would hold up the bid board for more than three (3) hours. In such cases, the driver will be expected to submit a proxy bid to designate their choice of bids.

15.1.3.1.4 Drivers will be allowed ten (10) minutes to complete their bid.

15.1.3.1.5 Both Union and management will have a copy of all proxy bids.

15.1.3.1.6 There will be two bid boards, one for bidding, and the other in Ops (Trapeze) for review by those drivers waiting to bid.

15.1.3.2 The bid board shall be maintained for one week following the conclusion of a bid to allow operators the opportunity to place written comments concerning any issue related to assigned runs. The comments may include safety issues and situations where operators are not receiving at least an eight (8) hour relief time between assigned runs. The comments will be maintained by the Union. The issues shall be the subject of discussions between the Department and the Union.

15.1.3.3 In the event a driver is on duty when his/her turn comes to bid on the assignment but time will not permit him/her to be at the place of bidding, the driver will not be bid around.

15.1.4 Assignment Changes: When a regular or extra assignment is so changed that working conditions are materially changed, the parties shall meet and confer in an attempt to determine the most efficient manner to

resolve the situation. If the situation is not resolved by mutual agreement a new bid will be conducted to follow the agreement. In the operations and application of this section the following will be considered a material change: Change of over two (2) hours in signing on or off assignment.

15.1.4.1 Once posted, the daily board will not change MCO or SVCs assignments without notifying the employee. If an MCO or SVC has a tardy or missout due to lack of notification of an assignment change, the MCO or SVC will not be subject to disciplinary action as a result of the tardy or missout.

15.1.5 Regular Assignments – All passenger service work that can be combined to provide eight (8) or more hour's work and having a regularity of five (5) or more days per calendar week will be established as regular assignments. Regular assignments may be split only once without payment of continuous time.

15.1.6 Route schedules prepared by the Transit Department shall be presented to the Union for review by the Union. The Union shall submit its proposed changes in writing to the Department no later than one (1) week prior to the posting of the bids. The Department shall consider the recommendations and prepare a final schedule for implementation.

15.1.7 Although the Department does not guarantee each driver a forty (40) hour per week work schedule, the Department will continue to schedule drivers in a manner that uses the forty (40) hour schedule as its goal.

15.2 Route Committee

15.2.1 A Route Committee is established to provide the Union and employees the opportunity to review a proposed bid before it is submitted to the drivers. The Union shall appoint a maximum of two (2) MCO employees and one (1) SVC employee to the committee. The committee will be advisory only. The parties shall meet at mutually acceptable times. In addition to consulting on the bid, the parties shall address the rest period and lunch time issues and recommend changes to the ABQRide Director that will maximize compliance with the goals set forth in Section 12.4 of this Agreement.

15.3 Assignment Exchanges

15.3.1 Assignment exchange is an agreement between two drivers trading assignments for one day or part of a day. It shall not be the responsibility of the City to make any monetary adjustment regarding the execution of an

assignment exchange. The same process can be used by drivers to exchange paid vacation.

15.3.2 Drivers who participate in an assigned exchange must provide written, signed agreement to exchange assignments to the operation supervisor at least 24 hours prior to the starting time of the assignment exchanged. This provision shall also apply to employees who wish to exchange a mandatory overtime assignment.

15.3.2.1 It shall be the responsibility of the operator initiating the request to submit all required paperwork. Also, it is the responsibility of the operators to sign the sign-on sheets in the area designated for run exchanges on the date of the exchange. Failure to comply with this subsection will disqualify an operator for such privileges for up to one year. Assignment exchanges will be limited to no more than 4 per quarter per individual whether you are the requesting or agreeing operator. Exchanges will be subject to approval by Division Manager or his/her designee. If an employee is denied the request, the employee shall be provided a reason for the denial. Upon request, the employee's designated union representative shall be provided the reason.

15.3.3 The Operator who agrees to work that shift shall be responsible for execution of shift, in the event an operator reports off for any reason, and the vacancy necessitates overtime; then the operator responsible shall be docked the overtime at time and one-half. In the event an operator reports off for any reason when he is to execute this trade agreement, and the vacancy does not necessitate any overtime, then the shift shall be paid back as agreed upon, at the Department's discretion, or within thirty days. The Tardiness and Missout, Subsection 12.3, will apply to assignment exchanges.

15.3.4 A driver will be eligible for paid sick leave while on an assignment exchange with proper documentation. If the driver doing the assignment exchange reports off sick and is granted sick leave, the driver will be charged for that leave.

16.1 Clothing Allowance

16.1.1 The Clothing Allowance will be \$900.00 per year and will be paid in 12 equal payments or 26 equal payments. The Clothing Allowance must be used to comply with the uniform policy. Transit employees are required to follow the uniform policy and be presentable when in public. Unless an employee can demonstrate a good faith effort to comply or makes a good faith effort to remedy a uniform violation (for instance presenting a receipt for items not yet received), then the City will provide notification of violation for the first violation and thereafter may impose working suspensions for part or all of one shift as discipline.

16.2 Uniforms

16.2.1 Service uniforms must meet the requirements of the City. MCOs and SVCs will not be required to patronize any particular firm or individual. Employees shall purchase uniforms that meet the required specifications designated by department rules and regulations. The MCO appointee shall review MCO cases and the SVC appointee shall review

SVC cases. If the parties are unable to reach agreement on the third appointee, the City's Mediation Division shall appoint a member.

17.1.2 The Committee shall review accidents, incidents and injuries and make recommendations to the Department Director in accordance with policy and procedures. The Committee's decision and rationale shall be recorded and retained by the department for six (6) months. If the amount of damage exceeds \$5,000.00, the findings of this committee shall be submitted to Risk Management. The Director's decision shall not be subject to the Grievance Procedures.

17.1.3 During the term of this Agreement, the Committee shall study Departmental Injury Leave records to identify the causes of the injuries and leave, including possible safety deficiencies, employee abuses and any other causes determined by the Committee. The Committee shall report its findings to the Department and Union prior to the commencement of negotiations for a successor contract to this Agreement. The Committee shall also review current accident/ incident/ injury policies and procedures and make recommendations to the Department. The Committee shall meet at such times that will not require cost to the Department for time spent on these activities by the Association appointee.

17.1.4 The Local Committee of Adjustments will meet with the Director or his/her designee after ratification of the new contract to propose changes for improvement of procedures and functioning of the Accident, Incident, and Injury Review Committee.

20.1 Transfers/ Promotions

20.1.1 MCOs and SVCs are not subject to an additional probationary period when transferring or being promoted within the department.

20.1.3 The Local Committee of Adjustments shall have input in the evaluation of employees being considered for the positions of upgrade supervisor.

20.1.3.1 Subsection 20.1.4 above does not apply to SVCs.

This section intentionally left blank

22. PERSONNEL FILES and RECORDS

22.1 When discipline is being considered for an employee, and the employee has not received any discipline for a period of two years before the date of the misconduct for which discipline is being proposed, then any written reprimand(s) issued more than two (2) years before the date of the alleged misconduct will not be considered in deciding the proposed discipline. Written reprimands issued more than two years before the date of the alleged misconduct may be considered if the employee has not been discipline free for two years. In addition, if the Union President and the Human Resources Manager over Employee Relations agree that the employee has a pattern of misconduct which appears to be "timed" or "spaced" to take advantage of this two year term, then this two year term does not apply.

22.2 Employees, or the Union President or designee with the employee's written authorization, shall have the right to inspect, scan, and copy their working or permanent files. Access to employee's permanent file shall be given in accordance with the provisions of City Personnel Regulation 1002 and the Public Records Inspections Act. 24. DISCIPLINE and INVESTIGATIONS

24.1 Disciplinary Actions

In this Contract, City business days ("CBD") means Monday through Friday, excluding Holidays as recognized by the Chief Administrative Officer. Other than the unilateral extension for investigations, all the deadlines below may be extended by agreement of the Human Resources Manager and the AFSCME Staff Representative or Local President. The request will be sent to the Staff Representative and the Local President. The Local President or Staff Representative may respond. If AFSCME does not respond within 3 CBDs, then the City will automatically have an additional 5 CBDs extension. If the request is made before a deadline expires then AFSCME and the City may mutually agree on a time frame, and agreement will not be unreasonably denied. If the request is made after a deadline has expired, then the request may be denied by AFSCME. A request to extend time limits made by the Union will not be unreasonably denied.

The City will inform the Union if an employee is a target and is on FMLA leave, and the following will apply if circumstances warrant:

- 1) The City will send the Notice of Investigation or the notice of 45 day extension to the Union President and the Council 18 Representative (See 24.1.5.3 or 24.1.5.4).
- 2) Upon the employee's return, the City will have at least ten (10) CBD days to interview the target (See 24.1.4).
- 3) Upon the employee's return, the City will have at least three (3) CBD to issue the notice of the next steps.

Deadlines regarding an FMLA leave in Nos. 2 and 3 are measured from and including the first day the employee is actually at work.

When notifying of an extension of the investigation, or requesting agreement to an extension, a reason will be provided. These may include, but are not limited to, legitimate delays in the process, absent employee(s), employee conduct caused delay, investigations involving multiple employees, factual overlap with another investigation, involvement of third parties as witnesses or investigators, statutory claims such as Title VII, the

volume of investigations in a Department, or an investigation involving violence, serious injury or fatality, or serious property damage.

All notices to be provided to employees under Section 24 will be hand-delivered or emailed five (5) CBDs before the interview or hearing, if the employee is available or an email address is known. Otherwise, notices will be sent by certified mail to the last known address; and will be sent at least eight (8) CBDs before the interview or hearing.

24.1.1 A hearing shall be convened to allow the employee and the employee's representative the opportunity to explain the reasons for the employee's actions or lack of action which may result in disciplinary action other than an oral reprimand.

24.1.2 An employee shall have the right to Union representation at all stages of an employee's disciplinary proceedings.

24.1.3 Employee investigations and notices of contemplated disciplinary actions shall be implemented in the following manner:

24.1.3.1 If an employee is not placed on investigation, disciplinary process shall be initiated against an employee no later than ten (10) business days after the employee's supervisor knew or reasonably should have known of the act that caused the disciplinary action to be initiated.

24.1.3.2 For the purposes of this provision only, "initiated" shall mean the written communication of a notice of contemplated disciplinary action to the employee.

24.1.3.3 If the employer decides to conduct an investigation the employer shall submit a written notification of investigation to the effected employee no later than ten (10) business days after the employer knew or reasonably should have known of the act for which the investigation is being initiated.

If another act is discovered during a third-party investigation, the City knows of the act when informed during the debrief, but the Union may confirm the date of the debrief and argue that the City should have known of the act sooner based on knowledge of a supervisor. The City shall inform an employee if they are a target for discipline or a witness of the investigation. During the investigation phase, the City will provide a target with a summary of what occurred, and what

City rule or policy may have been violated; such as "there was an accident on [date] at [location], and we are investigating whether you violated City rules regarding safe driving." A witness will be provided a summary of what occurred. The City's provision of this information does not limit the scope of the City's investigation, or the City's ability to ultimately allege different or additional violations in a Pre-Determination Notice or the investigation, or to begin a parallel investigation making a witness a subject. The union representative ("UR") will be provided a copy of the Notice of Investigation, by the City or employee, when requested. Should a witness (including the complaining party(ies)) become a target, the original investigation timeline shall be retained for the original act(s), and a new investigation timeline commences for the new target, unless the Union and City agree to broaden the initial investigation.

For the purposes of this section, the employer is defined as the department director or his or her designee. Any supervisor who knows or reasonably should have known of the act which is being investigated must immediately notify the department director.

24.1.3 For investigations initiated the following shall apply. An employee disciplinary investigation shall normally not exceed forty-five (45) calendar days from the date an employee receives a notice of investigation. If the City determines that the investigation needs to be extended beyond the forty-five (45) calendar day limitation, the City may unilaterally extend the investigation up to an additional forty-five (45) calendar days by submitting a written notice of extension to the employee no later than forty-five (45) days after the employee received the initial notice of investigation. The affected employee or the Union, if designated by the employee, may request periodic verbal status reports on the investigation from the human resources coordinator or the employee's division manager. The requests will be granted provided the supervisor shall not be required to provide information that might jeopardize the investigation process. Unless a mutual extension is agreed to by the Union and City after 90 days, the investigation will be considered complete. The City will inform target(s) and witnesses when an investigation is closed and no further action or discipline will be taken. The City will have 20 CBDs to issue a Pre-Determination Notice (PDH), if a PDH Notice is issued, from the date an employee is notified the investigation is complete but no later than the end of the investigation period (45 or 90 calendar days). The Pre-Determination Notice will include a term substantially similar to the following:

"Should the complaint be substantiated by the evidence, or if this Notice is not contested, then Management would propose a

discipline of _____. "This does not limit the employee's ability to submit a self-imposed discipline less than what was recommended. The City shall enter in the blank space the specific discipline contemplated. The City cannot generalize the discipline as "suspension," or "demotion," but the PDH notice shall specify one of the following:

Letter of Reprimand
Suspension of [number of days]
Demotion [to position
Termination

The discipline imposed, if any, after the PDH may be lower, but not higher than the discipline specified in the notice, unless new facts are discovered in the PDH, in which case the City may issue a new PDH notice.

The City will have 25 CBDs to issue a Notice of Final Action measured from the Pre-Determination Hearing. Unless an extension is agreed to by the Union and the City or the substantiated conduct implicates Title VII of the Civil Rights Act or the New Mexico Human Rights Act, no discipline may be issued after any missed deadline.

24.1.4 In the event disciplinary action is taken against an employee other than the issuance of an oral warning, the employer shall promptly furnish the employee with a clear and concise statement in writing of the reasons therefore.

24.1.5 Nothing in this Section shall prevent the employer from disciplining or discharging employees for just cause. Any such decision may be subject to the grievance procedure.

24.1.6 When discipline is to be imposed, progressive discipline will be considered when it appears that the merits of the case would lend itself to this procedure.

24.1.7 When possible, the employer agrees to criticize employees in private away from the public and other employees. Each party may have a witness present.

24.1.8 An employee may propose in writing to management a level of discipline the employee will accept for an offense prior to management imposing disciplinary action. If management accepts the discipline

proposed by the employee, the issue will be considered settled and the action will not be grieved.

24.2 Investigations

24.2.1 The parties acknowledge that investigations of disciplinary actions should be conducted in a manner which affords the employees involved an environment that is conducive to problem solving. Union concerns over investigations will be addressed through the Office of Human Resources.

24.2.2 Employees who are the subject of a disciplinary investigation shall be permitted to have union representation upon request. The employer shall not be required to delay the investigative interview more than ½ hour while the employee obtains union representation.

24.2.3 The Human Resources Office and the Union President shall continue to meet to discuss issues of mutual concern related to disciplinary and supervision issues.

24.3 City Operator Permit - COP

24.3.1 If an employee reaches the number of points under the COP which results in the loss of the employee's City Operating Permit (COP), the employee's department shall submit to the Human Resources Director (HRD) a completed form with the following questions answered:

24.3.1.1 Does the employee's job description require a driver's license?

24.3.1.2 Has the department required the employee to drive during the past year? If so, how often?

24.3.1.3 How will the employee's restrictions from driving impact the productivity of the department?

24.3.1.4 How will the department be impacted if the employee cannot drive for a period of one (1) year?

24.3.1.5 Can the essential functions of the employee's position be performed by the employee without a COP? Why or why not?

24.3.1.6 If the answer to (e) above is "no," can a modification be made to the employee's position for the employee to retain the employee's current employment status within the department?

24.3.1.7 Can the employee be reassigned to other duties (i.e., through voluntary demotion, transfer, etc.) within the department to lessen the impact on the department?

24.3.2 The form identified and described above shall be submitted to the (HRD) prior to the commencement of any disciplinary action against the employee for losing the COP.

24.3.3 Upon receipt of the answered form, the (HRD) shall provide the employee or the employee's union representative to also complete the form. The employee/union shall be provided a reasonable amount of time to complete the form.

24.3.4 If the City suspends or revokes and employee's COP, and the City requires the employee to drive to perform the employee's job duties, the City will provide the employee an option of entering into counseling with a return to work agreement in lieu of application of the City's COP policy for a first conviction involving driving under the influence off duty or loss of license for other reasons. Accommodations in the return to work agreement will include assignment to non-driving duties with a corresponding loss in pay for a period of one (1) year or less, provided the employee's required license will be reinstated within one (1) year. All actions by the City providing employees an opportunity to maintain employment under this article shall not be subject to grievance or appeal.

24.4 SLEEP APNEA

The City agrees that the risk factors for obstructive sleep apnea in guideline 5 of page 8 of the Expert Panel Recommendations of January 14, 2008, to the FMCSA will not be utilized for purposes of renewing a City medical card for the City COP, including directing the City's Employee Health Provider (currently Concentra) if necessary. The City will pay for the cost of an at-home sleep apnea test, or the co-pay for the cost of an in-lab test. The cost of sleep apnea treatment will be subject to the City's health insurance; but the City agrees it will investigate the possibility of assisting with the purchase of machines for the treatment of sleep apnea. The City agrees that an employee may obtain a second opinion about screening for, testing of, and treatment of sleep apnea, at the employee's expense; and the Union agrees that the City may reject a second opinion for legitimate medical reasons. A non-probationary employee who takes a sleep apnea test will receive a one-hundred and eighty (180) calendar day temporary COP. The Union agrees that the City has a legitimate interest in screening, testing, and treatment of sleep apnea for the safety and wellness of its employees and the public; and that the City may develop its policies and procedures to do so consistent with the agreements above.

24.5 PROCESS FOR DUI

24.5.1 These terms apply to only arrests for a first DUI, not on work or on City time. These terms supplement the COP policy regarding DUIs and administrative processes regarding NM Driver's License. This process is separate from any terms or provisions of the Substance Abuse Program. A second arrest for DUI results in the end of employment. A plea of guilty or nolo contendere or a finding or entry of guilt for a first or subsequent DUI results in the end of employment.

24.5.2 Deadlines below starts on day of arrest. Employees are to report any arrest for DUI.

24.5.3 City issues notice within 5 CBD; notice includes: self-refer to SAP within 7 calendar days; notice of temporary assignment; notice of PDH to occur 5 CBDs or more from notice. Proposed discipline will be 5 work day suspension without pay.

24.5.4 If PDH determines DUI arrest occurred, discipline is 5 work days (or equivalent days to 40 hours) suspension without pay. PDH outcome may not be grieved. If the PDH determines no arrest occurred, then the employee is made whole.

24.5.5 The employee will be placed in a temporary assignment for 90 calendar days, but the terms of compensation will be the same as the original position.

24.5.6 If the employee clears criminal charges and has an unrestricted New Mexico driver's license of the appropriate class on or within 90 calendar days, then the employee returns to the original position and continues in SAP if applicable. If not, then the employee may elect to use sick leave, or vacation leave, or both for 91 to 180 days (480 hours max) from the arrest. These employees are not eligible for donated leave.

24.5.7 After exhausting any leave the employee chooses to use or after 180 days from arrest, the employee will be on leave without pay under City Rules and Regulations 402.5(B) from 181 days to 375 days, except the employee will not be required to exhaust any more sick/vacation accruals under R&R 402.5(B).

24.5.8 The City may advertise the original position starting at 91 days, and may fill position starting at 151 days.

24.5.9 On or within 375 days, the employee must be cleared of criminal charges and have an unrestricted New Mexico driver's license of the appropriate class; if not, then employment ends. If the employee meets the terms, then:

24.5.9.1 The employee will, if the original position is still open, be offered the original position.

24.5.9.2 If the original position is not open, then employee will be offered a position in same job grade; an open position or a position which opens.

24.5.9.3 If an employee rejects an offer of the original position or a position in the same job grade, then employment ends.

24.5.9.4 If employee returns to a position, the employee will continue in SAP if applicable. The employee will not be made whole, but the employee will have the same City seniority date. The department, division and classification seniority date will be the same if the employee returns to the original position; or new dates if the employee returns to a different position.

25. GRIEVANCE and APPEAL PROCEDURES

25.1 Grievance Procedures

25.1.1 Subject to the election in 25.1.5 and 25.1.8, nothing in this Agreement shall prevent any employee from instituting or pursuing any grievance of a letter of reprimand on the employee's own behalf or with the assistance of the Union, in accordance with the provisions of the Merit System Ordinance. Employees may use the City's Merits Ordinance § 3-1-24 Grievance Resolution Procedures; employees may also use Ordinance § 3-1-25 Appeal from Suspensions, Demotion and Discharge and Appeal.

25.1.1.1 In a notice of final action, if the City decides to impose discipline that is held in abeyance, then the discipline must be wholly held in abeyance and shall consist of the following:

1. The discipline imposed and held entirely in abeyance for past acts.
2. The period of time measured from the abeyance during which the employee must refrain from any similar acts in order to void the discipline held in abeyance.
3. The specified progressive discipline which will be imposed in the event the employee allegedly commits a similar act during the abeyance period.

a. For example, "The employee's two (2) day suspension is held in abeyance for three (3) months, and if she commits a similar act during that time, the suspension will be three (3) days.

4. During the abeyance period the employee and the Union agree not to file any action. If the specified progressive discipline is imposed, an action may be filed consistent with the election in Article 25.1.5 and 25.1.8, which contest the specified progressive discipline and all previously alleged acts.

At any time, the parties may jointly settle any discipline imposed in a notice of final action.

25.1.2 The aggrieved employee may have representation at any time or step in the grievance/arbitration procedure. If an employee institutes a grievance under the provisions of Section 3-1-24 of the Merit System Ordinance in effect on the employee's own behalf, in accordance with this Section, the employee's representative will comply with the provisions of Administrative Instruction 1-11, as currently in effect, governing the Grievance Committee Process.

25.1.3 As a condition of employment, employees are required to appear as witnesses in grievance/arbitration hearings when requested by the aggrieved employee or by the City. Five (5) City Business Days before a hearing, or as required by a forum's rules or scheduling order if longer where applicable, a grievant, or the Union, or both will inform one Human Resources Coordinator(s) in each Department(s) of current City employees of those current City employees who are called as witness(es) by the grievant/union, along with the date, time and place of the hearing. The City will require the witnesses to appear, and require the witnesses to request leave as "PLO" and specify that the reason is to be a witness. The request for leave will be granted. A grievant may also use any service of process which a proceeding allows. An employee called as a witness during working hours shall be paid at the employee's regular rate. The employee will be required to return to work when the employee is no longer needed as a witness.

25.1.4 Employees called as witnesses during time off shall be paid for the time spent at the hearing. This time is considered time worked for the purpose of computing overtime compensation.

25.1.5 Any action resulting in the filing of a grievance/arbitration shall be processed according to the procedures in effect at the time of the filing of

the grievance/arbitration as provided by the Merit System Ordinance or the Collective Bargaining Agreement. If an employee wishes to appeal a disciplinary action that is subject to this Grievance Procedure, the employee shall elect to use this Grievance procedure or the City's Merit System Ordinance to appeal the action. If the employee decides to use the City's Merit System Ordinance to appeal a disciplinary action, the employee shall appeal the disciplinary action in writing and in accordance with the Ordinance no later than ten (10) days after the employee receives the written notice of disciplinary action. An employee who decides to use this Agreement's Grievance Procedure to appeal a disciplinary action shall appeal the disciplinary action by filing a written grievance no later than fourteen (14) days after the employee received the written notice of disciplinary action. If the employee decides to use this Grievance procedure, the employee may not also use the Merit System Ordinance appeal procedures. If the employee utilizes the Merit System Ordinance appeal procedures, the employee may not use the Grievance Procedure appeal procedures. This decision shall be irrevocable. If the Union, at a later date, decides that the employee's grievance is not meritorious and withdraws the grievance, the employee may not submit an appeal through the Merit System Ordinance."

25.1.6 If an employee chooses to use the City's Merit System ordinance to appeal a discipline, provisions of this Agreement shall be admissible evidence at the employee's hearing before a Personnel Board hearing officer provided the provisions are relevant to the issue before the hearing officer.

25.1.7 An officer or a steward will be allowed reasonable time off with pay to represent an employee during a an arbitration, grievance or pre-determination hearing. The President/designee will be granted access to work sites to conduct inspections for the arbitration process. The parties agree that such access shall not disrupt the work place. Prior to access of the work site, notification will be given to the appropriate City official. Management may require that the Union President/designee be escorted while on the work site.

25.1.8 The parties will use either the Labor Board or binding arbitration, but not both, for resolution of alleged contract violations or other written agreements, and all disciplinary related grievances, except as set forth in Subsection 25.1.1 above. The Parties agree that even after a claim is filed in Arbitration, the Personnel Board, or the Labor Board, the Chief Administrative Officer and relevant Director (or any designee in the Department or Human Resources) maintain authority to resolve the dispute.

For purposes of this subsection, disciplinary related grievances shall be limited to the following:

The Department Director or designee shall schedule a meeting and meet with the grieving employee, the Union, and appropriate supervisory staff no later than fourteen (14) calendar days after the date the Department Director receives the appeal, but the failure to hold this meeting does not void, or grant, the grievance. The Department Director shall have fifteen (15) City Business Days from the date of the notification to respond in writing to the Union as to the disposition of the Step I grievance. If the Union is dissatisfied with the response, the Union may request arbitration. These deadlines may be extended by mutual agreement.

It is recognized that the Director and President have the authority to settle disputes.

In the event of a [Step III] grievance, the Union shall have 120 business days to strike from the date the City produces to the Union all evidence which supports its position in the grievance. Should the Union need additional time to strike for an arbitrator beyond the 120 business days, the Employer shall not be liable for damages for the period of additional time needed. Damages include, but are not limited to back pay or interest.

25.2.4 Discovery request made by the union shall be submitted to the union within fifteen (15) City Business Days at no cost. The Union will respond to discovery from the City at least ten (10) City Business Days before the applicable hearing, at no cost.

25.2.5 Time Limits

25.2.5.1 In determining the time limits in this Agreement, the date of the grievable act or occurrence shall not be counted.

25.2.5.2 If the last day of any notice required by this Section falls on a holiday, Saturday or Sunday the time limit shall be extended to the next date that the City Administrative Offices are open for business.

25.2.5.3 Time limits may be extended by written mutual agreement of the parties.

25.2.5.4 If the Union fails to comply with the time limits, the grievance shall be considered null and void.

25.2.6 Selection of Arbitrator

25.2.6.1 Arbitrators will be selected from a list of seven (7) arbitrators requested from the Federal Mediation and Conciliation Service. The arbitrator's list shall consist of arbitrators from the region which includes New Mexico as defined by the F.M.C.S. The selection of the arbitrator shall be accomplished by the parties striking names until only one name remains. That person shall be the arbitrator. The party to strike the first name is determined by the flip of a coin.

25.2.7 Disciplinary Arbitration Procedures

25.2.7.1 The tape recording of the arbitration procedure is determined by the arbitrator.

25.2.7.2 Issues of grievability shall be decided by the arbitrator.

25.2.7.3 The arbitrator's standard for determining the appropriateness of disciplinary actions shall be just cause.

25.2.7.4 The arbitrator shall have the authority to accept, modify or reverse discipline imposed by the city.

25.2.7.5 In the event of reinstatement, a reduction or recession of a suspension or demotion, the arbitrator's award shall be limited to back pay and benefits for time lost, less any compensation received by the employee during the suspension, demotion or termination.

25.2.7.6 In researching a decision, the arbitrator may consider the Human Resources Ordinance, the Merit System Ordinance, Personnel Regulations, Administrative Instructions, a collective bargaining agreement in effect at the time of discipline, contract violations, evidence and testimony relevant to jurisdiction and any valid City policy.

25.2.7.7 The burden of proof on alleged violation shall be on the appellant. The burden of proof in disciplinary grievances shall be of the City.

25.2.7.8 The standard of review on appeal shall be governed by the New Mexico Uniform Arbitration Act.

25.2.7.9 Challenges of an arbitrator's decision shall be filed in a court of lawful jurisdiction within sixty (60) calendar days of the filing party's receipt of such decision.

25.2.7.10 The parties are prohibited from violating written agreements in force which were negotiated in accordance with the Employee Relations Ordinance. Any controversy concerning an alleged contract violation may be submitted for binding arbitration.

25.2.7.11 The arbitrator shall have the authority to interpret and determine compliance with the provisions of the Collective Bargaining Agreement. 25.2.8.5 The arbitrator shall deliver his/her award and decision in support thereof, within the F.M.C.S. guidelines after the close of the grievance hearing or submission of briefs, whichever is later, unless otherwise agreed to by the parties.

25.2.8.6 Alteration of time requirements may be made by mutual written consent of the parties. The Director of the Office of Human Resources and the Union President have the right to settle disputes.

25.2.8.7 As an incentive to avoid arbitration and its associated costs, at any time prior to the arbitration hearing, either party may submit a written settlement offer to the other party. Counter offers may be submitted in writing until agreement is reached, and signed by the parties, thus resulting in a shared cost of all cancellation fees, if any. However, if a written settlement offer is rejected the following shall apply:

25.2.8..7.1 If a party rejects a written settlement offer, and the arbitrator subsequently makes an award less favorable to that party than the rejected offer, and as favorable or more favorable to the party making the offer, the party rejecting the offer shall pay the costs of arbitration. If the arbitrator's award is not less favorable to any party than a settlement offer that has been rejected, or no settlement offer was tendered, the

parties shall split the costs of the arbitration. The arbitrator shall retain jurisdiction to determine fees if there is a dispute as to the application of this Subsection.
